Brief Description of the Event:

The "Tree Planation Pakhwada" was celebrated with full enthusiasm at GEC, Gandhinagar. Students and staff participated by planting trees in campus as well as outside campus at their homes. The Pakhwada was celebrated during 1st Aug to 15th Aug, 2021.

Students and staff planted around 100 trees and plants inside the campus and our Principal Dr. Sweta Dave madam and HOD, EC Dr. K. G. Maradia sir actively participated in the event to encourage other members. NSS Coordinator Dr. N. D. Patel also provided support at various levels to successfully organize the event.

Due to covid restrictions students were also given an option to plant trees and plants at home. To keep a record of their plantation they were asked to fill a google form and upload the photographs of the activity on the form. We also took care about the fact that students not only planted the tree but also took care of these trees for at least a year. Recoerd of which will be maintained on the above-mentioned form.

At the end of one year they will be awarded a certificate about their successful participation in the event.. Here are some of the photographs of the pakhwada.
