“International Women’s Day”

Date: 6/3/2021

International Women's Day is celebrated in the world over, every year on the eight day of March. It celebrates womanhood and pays tribute to the indomitable spirit of women across the globe. Its root lies in the early 1900s when oppression and inequality was spurring women to become more vocal and active in campaigning for change.

This day brings many things for women – a cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration and a time to honor, loved and admired. To honor womanhood, Women Development Cell, Government Engineering College, Sector-28, Gandhinagar has celebrated the “International Women’s Day” on Saturday, March 6, 2021 at Institute Campus. Female faculty from all departments took part in this event.

The session commenced with a prayer by Faculty members from IC Department. After that Dr. Shalini Rankavat(Activity Head, Women Development Cell) gave a welcome speech. In this event, Prof. Pinal J. Patel recites a beautiful poem on women’s conversation with mirror. Dr Shalini Rankavat, Ms. Humakhan Pathan, Prof. Anamika Mittal, Prof. Bijal Gadhia and Prof. Aarti Bokade sang songs to represent

womanhood at different stages of life. Prof. Daksha Diwan and Prof. Pinal Patel show the power of women through a dance. The group dance based on the theme of Women Empowerment in which the faculty members of General Department showed various “avatars” of the women tribe. This celebration brought fun, happiness, entertainment and a sense of unity among all. The program was brought to a conclusion by hope and faith being instilled among all women.
