Report of the event

“Social Entrepreneurship and Development”

Date: 19/4/2022

Women Development Cell of Government Engineering College, Sector-28, Gandhinagar has organized a seminar on “Social Entrepreneurship and Development” on Tuesday, April 19, 2022 at C. V. Raman Hall, GEC Gandhinagar. Female faculty and Students from all departments took part in this event.

Social entrepreneurship encompasses the activities and processes undertaken to discover, define, and exploit opportunities in order to enhance social wealth by creating new ventures or managing existing Organizations in an innovative manner. Traditional entrepreneurship is mostly connected with economic result of activity. Social entrepreneurship is connected with double result – economic and social success and equilibrium creation in the society. Social entrepreneurship helps to solve some social problems of population by starting-up or developing successful enterprises for- profit (or not) as well as minimize those problems.

.

Mr. Kaushal Gohil, Founder and President, Swa Sarjan Foundation was a speaker for this session. He explained how Social entrepreneurs may seek to produce environmentally-friendly products, serve an underserved community, or focus on philanthropic activities. He added about his foundation, Swa Sarjan Foundation, which is a Non Profit Making Organization, recognized under United Nations, Social and Economic affairs, works majorly on providing education to less privileged children while keeping youth and women empowerment in focus. Mr. Kaushal Gohil shared his journey of being social entrepreneur with the audience.
