**“Women’s Health Awareness”**

Date: 21/3/2023

Women Development Cell and RUSA of Government Engineering College, Sector-28, Gandhinagar has organized a seminar on “Women’s Health Awareness” on Tuesday, March 21, 2023 at C. V. Raman Hall, Admin Building, GEC-Gandhinagar from 11:30 AM onwards. Female faculty and Students from all departments took part in this event. The objective of the program was to raise awareness among the students and gave awareness on women’s health regarding various gynecological problems and to provide insights into managing their body better.

The session commenced with a warm welcome of guest on dias followed by Lamp Lighting and prayer. Dr. Shalini Rankawat, Convener- Women Development Cell, Gandhinagar spoke about WDC’s Activities and discussed the importance of the seminar. After that Dr. Yamini Parmar , Convener-RUSA, Gandhinagar spoke about the activities done under RUSA program. Dr. Neeta Shekhat, Senior Gynaecologist, Shekhat Maternity Home was the resource person for the seminar.

Dr. Shekhat spoke about the common gynecological issues faced by young women, including PCOD, irregular menstruation. She gave

insights on different gynecological diseases such as bacterial and fungal infections, cancer of breast and cervix, and so on.

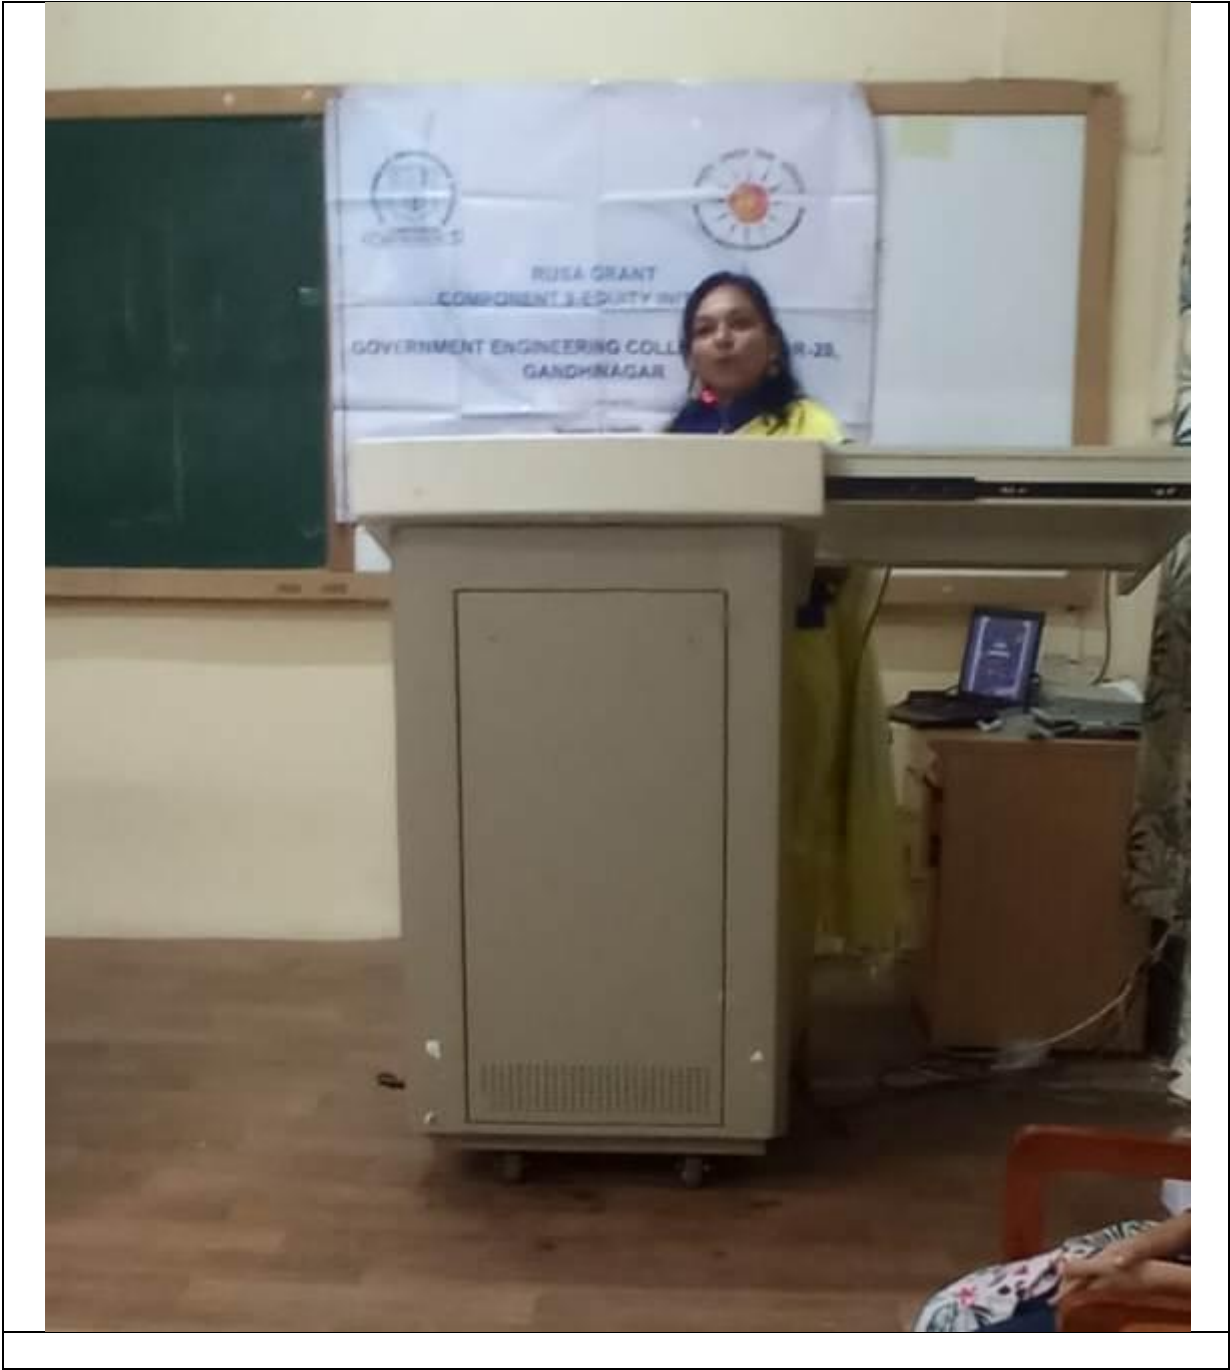

Dr. Shekhat described about each and every health issues very clearly to the students. The session was very helpful to the students to know about the importance of women's health and body issues. This seminar made students aware to the value of treatment and the importance of visiting a Gynecologist.

At the end, the students interacted with Dr. Shekhat for asking questions and clarifying doubts about their health issues. The event was successful as the response of feedback received from the participants was tremendously positive. E-certificates were provided to all the participants on completion of the event
