

**Government Engineering College, Gandhinagar**

Department of Biomedical Engineering

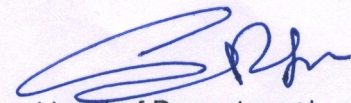

**- OFFICE ORDER -**

**Internal Quality Assurance Cell (IQAC) Committee**

Date – 01/05/2025

In view of the National Board of Accreditation (NBA) process and to ensure continuous quality enhancement in academic and administrative activities, an Internal Quality Assurance Cell (IQAC) committee is hereby constituted for the Biomedical Engineering Department. The objective of this committee is to facilitate systematic planning, documentation, and implementation of quality assurance initiatives as per NBA guidelines, focusing on outcome-based education and stakeholder satisfaction. The Committee will verify the mission, vision and course outcome or Biomedical department and other academic documents prepared by the Biomedical department faculty members as per NBA documentation guidelines.
