SSIP Potential Project Identification Meeting & Expert Session Report

1. Title of the Programme: **SSIP Potential Project Identification Meeting (Mar-2023) & Expert Session on “Startups & Relevant opportunities in Medical Instrumentation”**
2. Date and Duration: **4th March 2023 From 11:30 AM To 01:30 PM**
3. Venue: **Lab 8106/B**
4. Industrial Expert: **Mr. Pankaj Dhole**, Director, Biotechnika Healthcare Pvt. Ltd., Ahmedabad.
5. Total no. of participants: **18**
6. Details of SSIP Potential Projects: **Total Projects – 03**

Sr. No.	Name of Faculty Mentor	Title of SSIP Potential Project	Student Enrollment No.	Student Name
1	P. V. Patel	A novel approach for cell counter with cell classification	210130103601	Jash Naik
			210130103543	Shubham Joshi
2	M. B. Patel	The smart Interface	210130103507	Rushikesh Parekh
			210130103509	Vaishali Rajput
3	P. K. Shah	Gesture Sensing	190130103097	Jay Rana
			190130103120	Kinjal Vaishnav
			190130103129	Tanisha
			190130103116	Thaur Bulbulbharti

7. Program summary:

The Department of Biomedical Engineering had organized a SSIP Potential Project Identification Meeting and an Expert Session on “Startups & Relevant opportunities in Medical Instrumentation” for students and their project mentors who have proposed for funding under SSIP scheme on 4th March, 2023. The meeting started at 11.30 a.m. Prof. G. D. Parmar, HOD, BM Department welcomed the gathering. He handed over to Prof. Piyush Patel. He compered the program.

After welcoming the industrial expert, Mr. Pankaj Dhole, Director, Biotechnika Healthcare Pvt. Ltd., the expert session was conducted on “Startups & Relevant opportunities in Medical Instrumentation”. Mr. Dhole discussed various opportunities available in Medical Instrumentation domain along with the challenges to initiate a start-up. Students inquired about their doubts and discuss reagarding their ideas during question-answer session.

After completion of the expert session the review of SSIP potential project proposal were take place in sequential order. The expert was asked to review the SARJAN form for approving the amount of funding required by the project on the basis of its research and startup value.

At the end, Prof. Piyush Patel sincerely expressed gratitude to the industrial expert and Head of BM Department for sparing their valuable time, guidance and support to evaluate the proposals and thanked all Students and Mentors for attending the meeting and active participation in presenting their proposal.
