

## **A Brief Report on Two Days Hands-on Workshop on Biomedical Signals Acquisition and Analysis for Healthcare**

The Biomedical Engineering department at Government Engineering College (GEC) Gandhinagar organized a Two Days Hands-on Workshop on **Biomedical Signals Acquisition and Analysis for Healthcare** during 16-17 March, 2023. The workshop was held at C V Raman Hall of Admin building of GEC Gandhinagar for both the days. Dr. Vijay Dave (Assistant Professor, Biomedical Engineering Department) was the coordinator of the workshop and conducted all the sessions of the workshop.

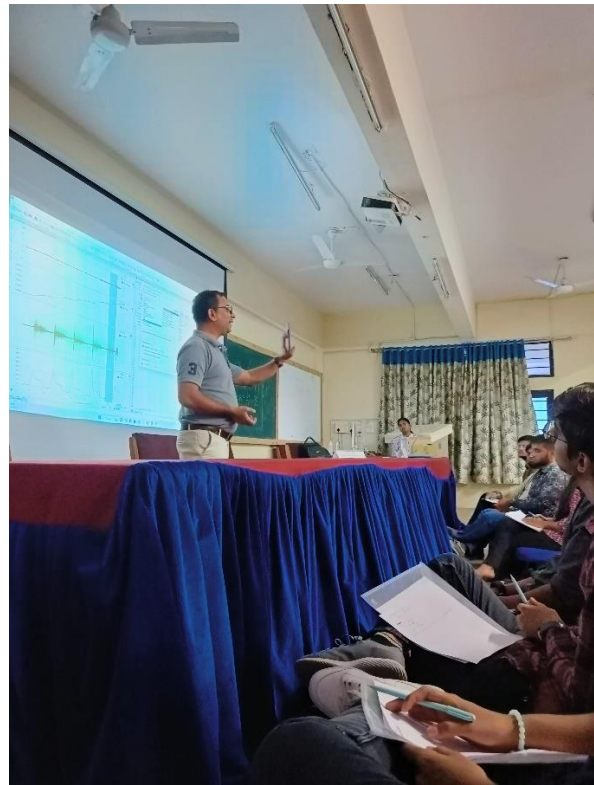

A glimpse of photos of the event.
