#### 11. Program Summary:

The Department of Computer Engineering and Information Technology had organized an alumni meeting for all batches on 26th April 2022 on the Microsoft Team Platform and offline at room no. 5001 CE/IT Department. The entire event was compared and governed by students of the CE/IT department. The meeting started at 11.00 a.m. with a short story of Apple Founder Steve Job's Contribution as Alumni. Dr. D. A. Parikh, HOD, Department of CE/IT welcomed the gathering and briefed about the importance of alumni meet. The student talked about the Vision, Mission statements of the Institute and the CE/IT Department. Then the student called Prof. P. A. Barot sir. He welcomed all the participants and interacted with alumni.

Expert talks on different topics were delivered by alumni experts. 168+ alumni from all batches, students and faculties who had worked here participated in the event. Students and staff shared the memories, most of them volunteered to render services for the benefit of the current students of CE/IT departments. The event was stimulating and enjoyable and simultaneously profitable as all insights came up.

At the end, Prof. D. P. Khem sincerely expressed its gratitude to the Honourable Principal Madam, Activity Head, and Head of CE/IT Department for their guidance and support to make this event a grand success and thanks to Prof. J. S. Dhobi, all Faculties, Staff Members and Alumni for attending Alumni Meet and contributing towards making it such an unforgettable Tuesday.

There were many moments of importance and in a nutshell it was an extremely successful event where the young fresher's could interact with their senior veterans who guided them along the path of success in the most efficient way possible and it was an event we would look forward to attending next year.
