6. Program Summary:

Our Alumni Mr. Vishwas Brambhhatt came to give our Sem 6 CE / IT students career advice for AR/VR/MR industry and will also help for internship & job opportunities. He brought with him 3 mix reality devices like

1. Magic leap

2. Oculus Quest 2

3. Oculus Go

Also demonstrates the live model and explain its working. Students and Faculties were benefitted with the current trend going on in market. It was very fruitful session to students as they can correlate the concepts of gaming they are playing with the software. Mr. Brahmabhatt offered internship opportunities to students and almost 7-8 students opted for it. He also kept one device in department for the students of explore.
