

Government Engineering College, Gandhinagar
Electronics & Communication Engineering Department

Orientation Program

EC Department organized an orientation programme for the newly admitted B.E. students with their parents & faculty member at Room No: 2001 on 11th July 2023. The major objective of the programme was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the institute.

Dr. Purvi A. Koringa have started the program with Sarswati vandana followed by welcome of the students and their parents and gave them brief presentation about Institute and Department. Head of the EC Department, Prof. Tejas Sheth, have inspired the students with a general orientation to Engineering education and awareness on opportunities available for the deserving.

At the end parents and students were given a tour of the college campus and were acquainted with the infrastructural facilities provided by the college for a comfortable learning for the students.
