6. Program summary

The Department of Computer Engineering and Information Technology had organized an alumni meeting for all batches on 9th October 2021 on the Microsoft Team Platform. The meeting started at 04.30 p.m. with a prayer. Dr D A Parikh, HOD, Department of CE/IT welcomed the gathering. Program started with explaining Vision, Mission statements of Institute and CE/IT Department by Prof.Pinal Patel. She handed over to Prof. Dhaval Khem and Prof.C M Kapadiya. Then Akul Upadhyay (7th IT) compared the whole program.

Expert talks on different topics were delivered by alumni experts. 196+ alumni from all batches, students and faculties who had worked here participated in the event. Students and staff shared the memories, most of them volunteered to render services for the benefit of the current students of CE/IT departments. The event was stimulating and enjoyable and simultaneously profitable as all insights came up.

At the end, Prof. Anamika Mittal and the CE/IT alumni coordinators sincerely expressed its gratitude to the honorable Principal Madam, Activity Head , and Head of CE/IT Department for their guidance and support to make this event a grand success and thanks to Prof. J S Dhobi, all Faculties, Staff Members and Alumni for attending Alumni Meet and contributing towards making it such an unforgettable holiday.

Overall review from student side is as under:

“While it is wise to learn from experience, it is wiser to learn from the experience of others.”

No better words could sum up what this edition of the alumni meet was all about , where our seniors from the 2018 batch came together to light up our future and to give us the “life hacks ” and do’s and don’ts of the upcoming years.

As people who have spent time in the industry themselves they are most suited to guide us on this journey and they covered a variety of topics, everything from how to get started with cyber security , how to most optimally pursue an MS in CS abroad to how to actually prepare for SDA roles at FAANG companies.

Their invaluable words left a mark at all the 190+ attendees , while the main agenda of the meeting was to discuss our college, and department’s mission vision PEO and PSO ‘s but as soon as the Q&A rounds began the audience bombarded the seniors with tons of questions which they all answered gracefully and patiently.

All in all as someone who simply attended the meet we would have left a clear Idea of how to actually pursue a career in these fields and if nothing else at the very least we would be happy to get to meet our SUPER seniors.

There were many moments of importance and in a nutshell it was an extremely successful event where the young fresher’s could interact with their senior veterans who guided them along the path of success in the most efficient way possible and it was an event we would look forward to attending next year.
