

## Expert talk by Ms. Neelam J Sompura on “Strengthening Mechanism for Metals”

Students of 4th and 6th semester, Metallurgy and Mechanical Department, GEC, Gandhinagar were benefited by Expert talk on “**Strengthening Mechanism for Metals**” on 06/03/2025, 3.15 to 5.15 pm. Total 75 students of Metallurgy and Mechanical Department are benefited by this talk. In Metallurgy and Mechanical Engineering, this topic is very much useful for enhancing the strength of different metals and alloy for various engineering application.

To,

Prof. Ms. Nilam J Sompura  
Lecturer,  
Metallurgy Engineering Dept.,  
Government Polytechnic Rajkot

Dear Ma'am,

We are indeed thankful to you for sparing your valuable time to deliver expert talk on "Strengthening Mechanism for Metal" organized by Metallurgy and Mechanical Engineering Department, Government Engineering College, Sector-28, Gandhinagar on 06-03-2025. Metallurgy and Mechanical department semester 6<sup>th</sup> and 4<sup>th</sup> students are benefited by your interesting and informative talk.

We look forward to your support in the future as well.

Thanking you,

With warm regards,

Dr. I B Dave

HOD Metallurgy Dept.
