

GUJCOST-DST Sponsored
1st International Conference on Recent Progress in
Material science and Mechanical Engineering
(ICRPMSME 2021) by **(Online Mode)**

May 28th - 29th, 2021, jointly organized by

Metallurgy Engineering Department, Government
Engineering College, Gandhinagar, Gujarat, India

Mechanical Engineering Department, Government
Engineering College, Patan, Gujarat, India

ABOUT CONFERENCE

This conference associated with recent trends in the field of material science and mechanical engineering. Papers are invited from the prospective authors from industries, academic institutions, R&D organizations and professional engineers. Potential topics to be addressed in this conference include, but are not limited to the following:

Material Characterization	Advanced materials for different sectors	Nano materials
Corrosion	Advanced material processing	Non-destructive Examination
Bio-materials	Heat Treatment	Powder Metallurgy
Advanced machining processes	CAD/CAM/CAE	SMART Materials
Advanced metal forming, bending, welding & casting techniques	Thermal Engineering	Super Alloys
	Composites, Intermetallics	

Conference Patron:

1. Dr. S.P.Dave, Principal, GEC-Gandhinagar, India, 2. Dr. H.S. Patel, Principal, GEC-Patan, India

Convener:

1. Dr. I B Dave, Professor, GEC-Gandhinagar, India, 2. Dr. H N Panchal, Assistant Professor, GEC-Patan, India

Organizing Secretary:

1. Dr. A. B. Dhruv, Professor, GEC-Patan, India, 2. Dr. D K Patel, Professor, GEC-Patan, India
3. Dr. Daulat Kumar Sharma, Asst. Professor, GEC-Gandhinagar, 4. Prof. D. D. Mevada, Asst. Prof., GEC-Gnr.

Paper Submission

We invite high quality, state-of-the-art, previously unpublished original research papers. Prospective authors are invited to submit full text papers including results, tables, figures and references. The authors may limit their papers to 10 Pages (For paper template, kindly check the conference website). The authors will then be invited to submit the final papers based on the plagiarism check and recommendations of the reviewers for inclusion into the publications.

Best research papers will be given to each sessions and also given Award certificate as well as chance to publish the article in any of the following journals:

1. Journal of Thermal Engineering (ESCI Indexed Journal)
2. Journal of the Taiwan Institute of Chemical Engineers in "Special Issue on Nanomaterial's for Adsorptive Removal of Contaminants from Aqueous Solutions" (SCIE Indexed Journal, IF: 4.794)
3. Emergent materials (ESCI indexed Journal)

Other Selected papers will be published as Springer book chapter.
